A MESSAGE FROM THE SUPERVISOR

Dear Resident,

I am pleased to join all my colleagues on the Islip Town Board in thanking you for your commitment to keeping our environment safe and healthy. It is our hope that this 2017 WRAP (We Recycle America Proudly) calendar will help to make recycling easy and efficient for all our residents. Please keep this information within reach for easy reference throughout the year.

In addition to the WRAP Program, the Town has several other recycling programs and earth-friendly events available to you. On the front of this card is a list of special events held throughout the year, such as Shredding Day, which provides an invaluable service to the Town of Islip residents **free** of charge.

I would like to take this opportunity to remind residents not to use plastic bags when disposing of their recyclables. You may recycle plastic bags at your local participating retail store or repurpose them for continued use.

You may find these and other Town programs on our website at www.islipny.gov. While you are visiting our website, please be sure to sign up for eAlerts to receive important news and events sent directly to your email.

Warmest regards,

Angie M. Carpenter
Supervisor
